**Geography
Physical and Human
Environments**

Duration — 1 hour 50 minutes

Total marks — 100

SECTION 1 — PHYSICAL ENVIRONMENTS — 50 marks

Attempt ALL questions.

SECTION 2 — HUMAN ENVIRONMENTS — 50 marks

Attempt ALL questions.

You will receive credit for appropriately labelled sketch maps and diagrams.

Write your answers clearly in the answer booklet provided. In the answer booklet you must clearly identify the question number you are attempting.

Use **blue** or **black** ink.

Before leaving the examination room you must give your answer booklet to the Invigilator; if you do not, you may lose all the marks for this paper.

Question 3

Diagram Q3 Flood hydrograph for the River Leen, Nottingham, 24th June, 2019

Study Diagram Q3.

For the River Leen on the 24th of June, 2019

- (a) describe the changes in discharge and
- (b) suggest reasons why these changes may have occurred.

10

Question 4

Diagram Q4 An ox-bow lake

Look at Diagram Q4.

Explain the formation of an ox-bow lake.

You may wish to use an annotated diagram or diagrams in your answer.

8

[Turn over

Question 5

Draw a fully annotated soil profile of a **brown earth** soil to show its main characteristics (including horizons, colour, texture and drainage), and associated vegetation.

8**Question 6**

Explain why there is a surplus of solar energy in the tropical latitudes and a deficit of solar energy towards the poles.

8

You may wish to use an annotated diagram or diagrams in your answer.

SECTION 2 — HUMAN ENVIRONMENTS — 50 marks

Attempt ALL questions

Question 7

Diagram Q7 Makoko, Lagos

Angus MacKinnon / Shutterstock.com

Look at Diagram Q7.

Describe the socio-economic and environmental problems associated with housing in Makoko or any other shanty town in a developing world city you have studied.

6

[Turn over

Question 8

‘Although the UK is undergoing a £23 billion overhaul of roads, its cities still face many transport issues.’

Many strategies have been implemented to manage transport in developed world cities. For a developed world city you have studied

- (a) **describe** the strategies used **and**
- (b) **explain** how these strategies manage transport problems.

8

Question 9

‘Land degradation affects more than one third of the world’s population’

Referring to a rainforest **or** semi-arid area you have studied, **describe** the impacts of land degradation on people, the landscape and the economy.

10

Question 10

Diagram Q10 Cardigan Bay, Wales

Look at Diagram Q10.

With reference to a named coastal or glaciated area you have studied

- (a) **describe** the measures taken to resolve the conflicts between different land users **and**
